

## TROPICAL CYCLONE BULLETIN NR. 1

### Tropical Depression ENTENG

Issued at 11:00 AM, 01 September 2024

Valid for broadcast until the next bulletin at 2:00 PM today.

#### THE LOW PRESSURE AREA EAST OF EASTERN VISAYAS HAS DEVELOPED INTO TROPICAL DEPRESSION "ENTENG".

##### Location of Center (10:00 AM)

The center of Tropical Depression ENTENG was estimated based on all available data at **120 km North Northeast of Borongan City, Eastern Samar or 150 km East of Catarman, Northern Samar (12.6°N, 126.0°E)**

##### Intensity

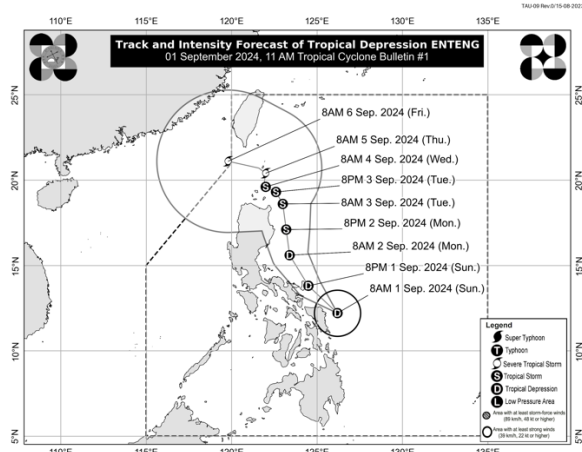

Maximum sustained winds of **45 km/h** near the center, gustiness of up to **55 km/h**, and central pressure of **1002 hPa**

##### Present Movement

**Northwestward at 30 km/h**

##### Extent of Tropical Cyclone Winds

**Strong winds** extend outwards up to **150 km** from the center

## TROPICAL CYCLONE BULLETIN NR. 1

### Tropical Depression ENTENG

Issued at 11:00 AM, 01 September 2024

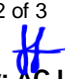

Valid for broadcast until the next bulletin at 2:00 PM today.

The enhanced Southwest Monsoon will also bring **strong to gale-force gusts** over the following areas (especially in coastal and upland areas exposed to winds):

- **From today to tomorrow noon:** MIMAROPA, Western Visayas, Central Visayas, Eastern Visayas (outside Wind Signal areas), Caraga Region, Northern Mindanao, and Zamboanga Peninsula
- **From tomorrow noon to Tuesday noon:** Zambales, Bataan, Aurora, Bulacan, Metro Manila, CALABARZON, MIMAROPA, Bicol Region, Visayas, and Caraga Region.
- **From Tuesday noon to Wednesday noon:** Zambales, Bataan, Aurora, Bulacan, Metro Manila, CALABARZON, MIMAROPA, Bicol Region, and Western Visayas.

### HAZARDS AFFECTING COASTAL WATERS

In the next 24 hours, ENTENG and the enhanced Southwest Monsoon will bring the following conditions over the coastal waters of the country:

- **Moderate to rough seas** over the eastern seaboard of Central Luzon and Southern Luzon (1.5 to 3.5 m), the seaboard of Northern Samar, the eastern seaboard of Eastern Samar, and the seaboard of Kalayaan Islands (1.5 to 3.0 m). **Mariners of small seacrafts, including all types of motorbancas, are advised not to venture out to sea under these conditions, especially if inexperienced or operating ill-equipped vessels.**
- **Moderate seas** are expected over the remaining seaboard of Bicol Region, Palawan, and Eastern Visayas, the seaboard of Western Visayas, the northern and eastern seaboard of Caraga Region, and the eastern seaboard of Davao Oriental (1.5 to 2.5 m). **Slight to moderate seas** are possible for the eastern seaboard of mainland Northern Luzon, the southern seaboard of CALABARZON, the remaining seaboard of MIMAROPA and Caraga Region, the seaboard of Northern Mindanao, the eastern seaboard of Davao Occidental (1.0 to 2.0 m). **Mariners of motorbancas and similarly sized vessels are advised to take precautionary measures while venturing out to sea and, if possible, avoid navigation under these conditions.**

### TRACK AND INTENSITY OUTLOOK

- ENTENG is forecast to move generally northwestward to north northwestward today, then becoming more northward tomorrow (2 September) while gradually intensifying. On the forecast track, a landfall and passage over the localities in Bicol Region-Eastern Visayas area is not ruled out within the next 48 hours. Furthermore, this tropical depression may reach tropical storm category by tomorrow.
- From Tuesday (3 September) to the end of the forecast period, ENTENG is forecast to move erratically while near or over the Luzon Strait. Intensification may continue during this period, with ENTENG potentially reaching severe tropical storm category by Thursday (5 September)

Considering these developments, the public and disaster risk reduction and management offices concerned are advised to take all necessary measures to protect life and property. Persons living in areas identified to be highly or very highly susceptible to these hazards are advised to follow evacuation and other instructions from local officials. **For heavy rainfall warnings, thunderstorm/rainfall advisories, and other severe weather information specific to your area, please monitor products issued by your local PAGASA Regional Services Division.**

p

The next tropical cyclone bulletin will be issued at 2:00 PM today.
